Michelman & Robinson LLP yesterday announced the addition of Warren A. Koshofer as a partner in its Encino office.

Koshofer, a civil litigator and transactional attorney, made the lateral move from Blank & Rome LLP's Century City office.

Michelman & Robinson managing partner Dana Kravetz praised Koshofer as "an exceptional attorney" and predicted he "will be a tremendous asset to our team."

According to Koshofer's firm biography, he has over 20 years of experience representing clients in the aerospace, aviation, chemical, entertainment, gaming, insurance and manufacturing industries, handling matters involving product liability, mass and toxic tort, insurance coverage, environmental, real estate, construction, and contracts.

He also advises clients regarding the acquisition and disposition of businesses or real estate where complex due diligence and analyses on environmental, mass tort and other litigation risks are required.

Koshofer earned both his undergraduate and law degrees from Rutgers University. He was admitted to the State Bar in 2001, and is also licensed to practice in New York, New Jersey and Pennsylvania.
